Family Engagement Series #4:

Importance of Play:

Supporting Play and Peer Interactions

Monday, March 11th, 6pm

Via Zoom

Families are invited to join us for this session of our Family Engagement series as we discuss the importance of play. We will share strategies for expanding your child's play skills and supporting friendship and interaction skills.

This session will focus on children in early childhood, from preschool ages to grade three.

Information in the presentation will include:

- Expanding your child's play skills
- Supporting social interaction with your child's peers
- Teaching and practicing friendship skills
- Play as your child's most important work
